

JAMES WILSON JONES, M.D., Ph.D., M.H.A.

GENERAL INFORMATION:

Marital Status: Married to Joan Wachna Jones, M.S., J.D.

Current Title: Professor of Medicine and Medical Ethics (Visiting)
The Center for Medical Ethics and Health Policy
Baylor College of Medicine
Houston, Texas

Telephone No.: (936) 582-4577
FAX No.: (936) 582-1493
Cellular Telephone: (936) 524-6400
E-mail: jwjones@bcm.tmc.edu
Address: 31 La Costa Drive
Montgomery, TX 77356-5325

EDUCATION: University of Tulsa, Tulsa, Oklahoma, 1959-1962,
No degree.

Tulane University School of Medicine,
New Orleans, Louisiana, 1962-1966, M.D.

Tulane Graduate School,
New Orleans, Louisiana, 1970-1971, 1973-1974, Ph.D.

University of Missouri, Columbia, Missouri,
Department of Health Management and Informatics
1999-2002, M.H.A. (Masters of Health Administration)

INTERNSHIP & RESIDENCY: Philadelphia General Hospital,
Internship, 1966-1967

Mayo Graduate School of Medicine,
Surgery Fellowship, 1969-1970

Charity Hospital of Louisiana,
General Surgery Residency, 1971-1973, 1974-1975

Thoracic Surgery Residency, Tulane
Combined Program 1973-1974, 1975-76

Ochsner Clinic, Fellowship, Thoracic Surgery
January-June 1976

MILITARY SERVICE: U.S. Navy Medical Corps, Lt. Commander,
1967-1969 (2nd Marine Division)

GRADUATE STUDY: Tulane University Graduate School
Departments of Anatomy and Biology
(Cell Biology) 1970-1971, 1973-1974

BUSINESS STUDY:

- Tulane University Business School 1981-1982 (no degree)
- VA Clinical Executive Institute, Clinical Service Chiefs' Management Development Program, Nov. 1990, Jan 1991, May 1991
- VA Clinical Executive Institute Faculty 1992
- Risk Management & Quality Care Issues in Surgery, Symposium, Dec 1991
- Chiefs of Surgery: Effective Management in the 1990's, Jan 1992
- Harvard School of Public Health Management Program for Chiefs of Clinical Services, Jan-Feb 1995
- National Risk Management Seminar, March 1995
- Harvard School of Public Health Management Advanced Program for Chiefs of Clinical Services Feb 1996
- Levinson Institute Leadership Program Harvard Medical School March 1999
- AAMC Executive Development for Associate Deans and Department Chairs Oct. 2000
- Department of Health Management and Informatics, University of Missouri, Master of Health Administration (MHA) degree program (1999-2002)

TEACHING EXPERIENCE:

- Graduate Teaching Assistant in Gross Anatomy (Gross Anatomy Lab and Lectures)
- Instructor of Anatomy (Gross Anatomy Lab and Lectures, Embryology)
- Instructor of Surgery (General, Vascular, Trauma, and Thoracic Lectures)
- Assistant Professor of Surgery (Surgical Technical Teaching in Animal Laboratory and lectures)
- Associate Professor of Surgery (Tenured) (Wound Healing, Shock, Clinical Anatomy Lectures)
- Professor of Surgery (Tenured) (Responsibility for Thoracic Residents from Baylor, M.D. Anderson, Texas Children's Hospital, Academic Teaching Lecture Series)
- Professor of Medical Ethics (Tenured) Ethics Course for First Year Medical Students
- Chairman, Medical Students Curriculum and Rotational Schedule. Clinical Interactive Sessions (weekly) Core Lectures to first and second year students.
- University of Missouri Health Sciences Center Annual Excellence in Medical Student Teaching Award 1999
- Who's Who Among America's Teachers, 2002, 2004, 2005
- International Educator of the Year, (IBC), 2004

RESEARCH FELLOWS:

Spiros Varvitsiotis
Keshi Ueyama
Sheila Schmidt
Julian Losanoff

OTHER CERTIFICATIONS:

PADI Master Scuba Diver Rating
Nitrox, Deep Diving, Wreck Diving
(Professional Association of Diving Instructors)

POSITIONS HELD:

- NSF Summer Research Grant, Department of Biology, Tulane University, 1963-1965
- U.S. Naval Medical Officer, 1967-1969
- NIH Trainee in Anatomy, 1970-1971
- Instructor of Anatomy, 1970-1974
- American Cancer Society Research Fellowship, 1975-1976, 1977-1978
- Assistant Clinical Director, Charity Hospital of Louisiana, 1974-1976
- Co-Director, Surgical Intensive Care Unit, Charity Hospital of Louisiana, 1974-1976

- Assistant Professor of Surgery, Tulane University School of Medicine, 1976-1979
- Associate Professor of Surgery, Tulane University School of Medicine, 1979-1983
- Chief, Surgical Service, VA Medical Center, Houston, Texas, 1983-1986
- Associate Professor of Surgery & Cell Biology, (Tenured) Baylor College of Medicine, 1983-1986
- Senior Cardiac Surgeon, Baylor Heart Team, King Faisal Hospital and Research Centre, Riyadh, Saudi Arabia, May-August 1984
- Surgical Director, Ritter Heart Institute, 1986-1989
- Surgical Consultant, Haemonetics' Corporation, 1985-1998
- Chief, Surgical Service, Houston VAMC, 1989-1998
- Vice Chair, Department of Surgery, Baylor College of Medicine 1993-1998
- Cardio Genesis Corporation Clinical Advisory Board 1996-1999
- Cardio Genesis Corporation Scientific Advisory Board 1996-1999
- Professor of Surgery and Cell Biology (Tenured) Baylor College of Med. 1996 – 1998
- Professor for Medical Ethics and Health Policy (Tenured) 1996 – 1998
- Hugh Stephenson Chair, Department of Surgery University of Missouri-Columbia, 1998-2003.
- W. Alton Jones Distinguished Professor, University of Missouri 1998-2003.
- Surgeon-in-Chief, University Hospital and Clinics Operating Services, University of Missouri-Columbia 1998-2003.
- Consultant, Surgery, Harry S. Truman Memorial Veterans Hospital, Columbia, Missouri
- Secretary, University of Missouri Practice Plan 2001-2003. (elected)
- Chief, Division of Thoracic Surgery, University of Missouri, Dept. of Surgery 2002-2003
- Director, Thoracic Surgery Residency Program, University of Missouri 2002-2003
- Assistant Editor, Journal of Vascular Surgery 2003-present
- Visiting Professor of Medicine and Medical Ethics, Baylor College of Medicine
- Ethics Editor, Surgery News 2007-present

RESEARCH INTERESTS:
Regeneration

Control Systems in Growth and

Clinical Anatomy
Cardiac Injuries
Myocardial Preservation
Infections in Cardiac Surgery
Bioenergetics
Blood Conservation Methods
Internal Thoracic Artery Conduits
Transmyocardial Revascularization & Cardiac
Microcirculation
Medical Ethics

COMMITTEES:

- Tulane Medical School Student Affairs Committee (1977-1982)
- Tulane Medical Center Hospital Bylaws Committee (1978-1979)
- Charity Hospital of Louisiana Tracheotomy Audit (1980-1981)
- Charity Hospital of Louisiana Transfusion Committee (1978-1980)
- Tulane Medical Center Transfusion Committee (1980-1981)
- Clinical Executive Board, VAMC Houston, Texas (1983-1985)
- Infection Control Committee, VA Medical Center, Houston, Texas
- Chairman, OR Committee, VA Medical Center, Houston, Texas (1983-1985)
- High School Advisory Committee for Health Care Professions, Baylor College of Medicine, Houston, Texas (September 1990 - September 1992)
- Medical Center Executive Committee, VAMC Houston, Texas (1990 - 1998)
- Clinical Executive Board, VA Medical Center, Houston, Texas (March 1990 - 1998)
- Chairman, Operating Room Committee, VA Medical Center, Houston, Texas (March 1990 - 1998)
- Ethics Committee (Founder) - Houston VA Medical Center (October 1990 - 1992)
- Emergency Preparedness Committee, Houston VA Medical Center (October 1990 - 1998)
- VA Medical Center Planning Committee (1993-1998)
- Research and Development Committee Houston VAMC (November 1990 - 1992)

- Equipment Subcommittee, Research Service, Houston VAMC (December 1990 - 1998)
- Space Subcommittee, Research Service Houston VAMC (December 1990 - 1998)
- Equipment Committee, VA Medical Center (October 1991 - 1998)
- Cost Containment Committee, Houston VAMC (November 1991-January 1995)
- Chairman, Allied Health Committee, Baylor College of Medicine (1992 - 1997)
- Chairman, IRB, Houston VAMC (1992-1995)
- Resource Management Committee (February 1993 - 1995)
- Baylor Dept. of Surgery Executive Committee (1995 - 1998)
- Baylor Space and Renovation Committee (1995 - 1997)
- Baylor Practice Plan/Baylor Surgical Associates Committee (1995 - 1998)
- Baylor Department of Surgery Appointments and Promotions Committee (1995 - 1998)
- Council of Chairmen, University of Missouri School of Medicine (1998-2003)
- Affiliated Partnership Committee, Truman Memorial Veterans Hospital (1998-2003)
- Executive Committee, University Physician's Practice Plan (1998-2003)
- Management Committee, University Physician's Practice Plan (1998-2003)
- Chairman, Executive Committee, Department of Surgery (1998-2003)
- Chairman, OR/RR Committee, University of Missouri Hospital and Clinics (1998-2001)
- Health Sciences Advisory Committee, University of Missouri (1998-2003)
- Bioethics Committee, University of Missouri (1999-2003)
- Columbia Regional Hospital Board of Directors (1999-2003)
- Search Committee for Dean, School of Medicine, University of Missouri, 2000.
- Finance Committee, University Physician's Practice Plan (2000-2003)
- Strategic Planning Committee, University Physicians Practice Plan (2000-2003)
- University of Missouri, Health Systems Strategic Planning Committee (2000-2003)
- Perez-Mesa Lectureship Committee (2001-2003)
- Search Committee for Executive Director, University Physicians Practice Plan (2001)
- Research Planning Group for Cardiovascular and Diabetes (2001-2002)
- Electronic Medical Record Steering Committee (2001- 2003)
- University Physicians Practice Plan Rewrite Committee (2001-2003)
- Managed Care Council (2001-2003)

- Cardiovascular and Diabetes Research Strategic Planning Group (2001-2002)
- Chairman, Governance Committee, University Physicians (2001-2003)
- Search Committee, Cancer Center Director 2001
- Mission Based Management Steering Committee 2001-2003
- Ad Hoc Surgicenter Strategic Planning committee 2001
- Faculty Compensation Committee 2002-2003
- Electronic Medical Record Committee 2002-2003
- Funds Flow Analysis Steering Committee 2002-2003
- Medical School Leadership Executive Committee 2002-2003
- Chairman, Compensation Plan Writing Sub Committee 2002

NATIONAL, INTERNATIONAL, OR REGIONAL COMMITTEES:

- VA Southern Regional Cardiology Advisory Committee (March 1993 - 1995)
- Society of Thoracic Surgeons Industry Relations Committee (1993 -1997)
- Sub-committee of Industrial Relations for Annals of Thoracic Surgery (1993 - 1996)
- Texas Chapter of the American College of Cardiology Program Committee, 1994
- Chairman, Society of Thoracic Surgeons, Sub-committee for Scientific Session Exhibitions (1996 -1997)
- Board of Directors, M. E. DeBaKey International Surgical Society (1996 - 2004)
- NASA / Lyndon B. Johnson Space Center Institutional Review Board (1995 - 1998)
- Program Committee, Texas Surgical Society (1996 - 1999)
- Ethics Forum (combined STS, AATS Committee) (2000-present)
- Councilor, Missouri Chapter of American College of Cardiology, 2001-2003
- National Committee for Policy on Innovative Surgery 2002
- Reviewer for Der Wissenschaftsfonds (Austrian Science Fund) Wittgenstein Award
- Ethics Committee, American Association for Thoracic Surgery 2006-present.
- Scientific Advisory Board of the World Congress on Heart Disease of the International Congress of Cardiology 2009

AWARDS and HONORS:

- Dean's List 6 semesters (1959-1962), University of Tulsa
- Tulane Institutional Merit Scholarship (1962-1964)
- Hawthorne Scholarship, Tulane University (1964 – 1966)

- NIH grant-in-aid of Research, Summer 1963 and 1964
- Alpha Omega Alpha Honor Society, (elected 1965)
- Society of Sigma XI Honor Society, 1966
- Louisiana Surgical Association Annual Research Award, 1975
- American Cancer Society Trainee 1974-1975, 1976-1977
- Society of Surgical Oncology, Annual Fellowship Research Award, 1977 (James Ewing Society)
- Who's Who in the Southwest, 1982
- Chairman, Thoracic Surgical Section Pan American Medical Association 1982
- Annual Director's Award For Professional Leadership VA Medical Center, Houston, Texas, July, 1985
- Annual Service Award, Mended Hearts, Chapter #70, Port Arthur, Texas 1986
- National Institutes of Health, "Autologous Transfusion Symposium," Invited Speaker, October 1992
- DeBakey Abu Dhabi Medical Evaluation Team, December 1992
- 25th Anniversary Outstanding Service Award, Physicians Assistant School, Baylor College of Medicine , October 1996
- Men of Achievement – 1996, 1999
- 1998 National Registry of Executives, 2000
- Who's Who in America, 1997 – 2004
- Lexington Who's Who 2000-2001
- American Registry of Outstanding Professionals (2001, 2002) (2002-2003)
- Cambridge International Biographical Centre, One Thousand Great Americans 2000-2001 1st edition, 2003 2nd edition
- Cambridge International Biographical Centre, 2000 Outstanding Scientists of the 21st Century, 2001
- Strathmore's Who's Who 2002-2003
- Who's who among America's Teachers, 2002, 2004.
- Consumer's Research Council of America Guide to America's Top Surgeons 2002-2003,2004-2005
- 21ST Century Award for Achievement (IBC Cambridge)
- 2000 Outstanding Intellectuals of the 21st Century IBC Cambridge. 2003
- Who's Who in Medicine and Health Care 2002-2003
- The Contemporary Who's Who 2002, 2003, 2004, 2005,2006
- University of Missouri SOM Annual Excellence in Medical Student Teaching Award 1999
- Eminent People of Today Premier Edition 2002
- Consultant to the Council on Ethical and Judicial Affairs of the American Medical Association 2002

- America's Registry of Outstanding Professionals 2002-2003
- One Thousand Great Intellectuals 2003
- International Directory of Distinguished Leadership 11th Edition, 2003
- The Contemporary Who's Who of Professionals 2004-2005
- International Directory of Experts and Expertise 1st edition 2006
- Finalist for Alfred Soffer Research Award by CHEST Foundation 2000
- Co-chairman of Scientific Session at the 8th Annual Meeting of the Egyptian Cardio-thoracic Surgical Society, March 2001
- Invited Contributor, World Book Encyclopedia, 2002 Edition.
- Co-chair, Ethics of Managed Care Conference, Kansas City, MO, May 2001.
- Honored Speaker, Research Day, University of Oklahoma, May 2002.
- H. Brownell Wheeler Lecturer, University of Massachusetts, June 2002.
- Theodore Drapanas Lecturer, Tulane University, June 2003.
- Austrian Science Fund Wittgenstein Award Reviewer 2005
- Men of the Year 1990-2006 (ABI)
- Great Minds of the 21st Century 2005/2006
- Best Doctors in America 2005-2006, 2006-2007, 2007-2008.
- Cambridge Who's Who Among Professional Specialty Physicians 2007-2008

VISITING PROFESSORSHIPS:

1. Wilford Hall Medical Center, May 6-8, 1981.
2. Creighton University Medical Center, Omaha, Nebraska, July 22-23, 1982.
3. Ohio State University, Columbus, Ohio, August 5, 1982.
4. Loma Linda University, Loma Linda, California, September 21, 1982.
5. University of California-Irvine and Long Beach VA Hospital, December 3, 1982.
6. Southern Illinois University School of Medicine, December 10-11, 1982.
7. University of Athens, Athens, Greece, May 9-11, 1984.

8. Vanderbilt Medical Center, June 1988
9. Tufts University, Boston, Massachusetts, February 8, 1995.
10. University of Medical Professionals, Ho Chi Minh City, July 23-27, 1996.
11. University of New Mexico - Albuquerque, September 24-25, 1999.
12. University of Oklahoma, Oklahoma City, May 11-12, 2002.
13. University of Massachusetts, June 19-20, 2002.
14. Texas A & M Health Sciences Center, April 13-14, 2003
15. Tulane University School of Medicine, June 19-20, 2003
16. UCLA , September 2-3,2003.

GRANTS:

- New Orleans Cancer Society, Grant, "Ehrlich Ascites Tumor Growth Control" \$15,000, 1965
- Institutional Research Grant, Philadelphia General Hospital, " Gold Foil in the treatment of Venous Stasis Ulcers"\$5.000 1966-1967
- National Institutes of Health (NIH) Grant: Cardioplegia and Nutritional Augmentation in Resisting Harmful Effects of Myocardial Ischemia. \$130,000, 1976-78.
- Ortho Pharmaceutical: Erythropoietin in Heart Surgery 1989 (\$104,000)
- Haemonetics Corporation: Plasma-saver Study (\$39,000) 1988
- Baxter-Edwards: REF Catheter Study (\$9,000) 1991
- Berlex: Prostocyclin Study of PVD (\$160,000) 1990
- Sandoz Pharmaceuticals: Diapid Study (\$10,000) 1992
- Baxter-Edwards: SVO2j-CCO Catheter Development (\$140,000) 1993
- Haemonetics Corporation: Heat-Exchanger Study (\$60,000) 1994
- Pall: Pilot Leukocyte Filtration Study (\$7,000) 1994
- Infuse: First Clinical Study (\$20,000) 1995
- Haemonetics Corporation: Hemocircuit Study (\$220,000) 1996
- Cardio Genesis Corporation: Transmyocardial Revascularization Study (\$1,700,000) 1996-97
- Veterans Affairs Merit Review Grant Effects of Lung Volume Reduction Surgery in the Treatment of Severe Emphysema Study (Co-PI) (\$420,000) 1997-2000
- Medtronic: Bio-Medicus Prospective Randomized Lung Water Study (\$15,000) 1997
- Cardio Genesis Corporation: The Effectiveness of Percutaneous Myocardial Revascularization (PRM) in the Treatment of Chronic Angina (\$240,000) 1997-99

- Cardio-Genesis Corporation: Intraoperative Transmyocardial Revascularization (TMR) Longitudinal Study (\$120,000) 1998
- Cardio Genesis Corporation: Effectiveness of Transmyocardial Revascularization (TMR) in Patients with Depressed Myocardial Function for the Treatment of Chronic Angina (\$200,000) 1998
- Alliance Pharmaceutical Corporation: Perflubron-Based Emulsion (AF0144) to Augment Intraoperative Autologous Donation and Avoid Transfusion of Allogenic Red Blood Cells in Patients Undergoing Primary Coronary Artery Bypass Graft Surgery Under Cardiopulmonary Bypass (\$10,000) 1999
- Immunex Controlled trial of Sargramostin (recombinant human-macrophage colony-stimulating factor) (\$12,500) 2000
- Veterans Affairs Merit Review Grant Renewal of Effects of Lung Volume Reduction Surgery in the Treatment of Severe Emphysema Study (co-investigator) (\$220,000) 2000-2002.

EDITORIAL BOARDS: Assistant Editor, Journal of Vascular Surgery, 2003-present.
 Editorial Board, International Journal of Ethics, 2005-present
 Editorial Board, International Review of Anesthesiology, 1990-1995
 Editorial Board, Surgery News, 2007-present

GUEST REVIEWER: American Journal of Surgery
 Annals of Surgery
 Annals of Thoracic Surgery
 Chest
 Circulation
 AMA-CEJA Draft Papers
 Gastroenterology
 Journal of Cardiovascular Surgery
 Journal of Thoracic and Cardiovascular Surgery
 Journal of Law, Medicine, and Ethics
 Lancet

MEMBERSHIPS:

Alpha Kappa Kappa
Alpha Omega Alpha
American Association for Thoracic Surgery
American College of Surgeons, Fellow
American Surgical Association
Central Surgical Association
James IV Association of Surgeons
Mayo Alumni Association
Michael E. DeBakey International Surgical Soc.
Society of Sigma XI
Society of Thoracic Surgeons
Society for Vascular Surgery
Southern Thoracic Surgical Association
Southern Surgical Association
Texas Surgical Society
Thoracic Surgery Foundation
(Founding Member)
Tulane Medical Alumni Association

BOARD CERTIFICATIONS:

American Board of Surgery (#21, 548)
1976 (Recertified 1985, 1993, 2003)

American Board of Thoracic Surgery
(#3154) 1977 (Recertified 1985, 1995)

Certificate of Added Qualifications in Surgical
Critical Care (#573) 1990 (recertified 2000)

LICENSURE:

Texas, 1984 (G6313)

GRADUATE THESES:

(For M.D.)
"Metabolic Effects of Trypan Blue
on Fetal Rat Tissue," Tulane
University School of Medicine,
February, 1966

(For Ph.D.)

"A System of Growth Control in Ehrlich Ascites Tumors, @ Tulane University Graduate School, November, 1979 (1977 Society of Surgical Oncology Research Award)

PATENTS ISSUED:

Radiopaque Vascular Marker
U.S. Patent Number 4,202,349
Issued May 13, 1980

Double Venous Cannula
U.S. Patent Number 4,248,224
Issued February 3, 1981

Self-Inflating Tracheal Tube
U.S. Patent Number 4,278,081
Issued July 14, 1981

Thoracostomy Pump-Tube Apparatus
U.S. Patent Number 4,382,442
Issued May 10, 1983

PRESENTATIONS:

1. Southern Surgical Association Meeting, "Cardiac Contusion: A Capricious Syndrome," (Closure) December 1974.
2. Louisiana Surgical Society Meeting, "Tracheo-inominate Erosion: Successful Surgical Management of a Devastating Complication," November 1975.
3. Surgical Association of Louisiana, "Principles of Management of Cardiac Contusion," New Orleans, Louisiana, November 13, 1976.
4. Invited Speaker, American College of Surgeons Postgraduate Program, "Management of Cardiac Contusions," New Orleans, Louisiana, January 1977.
5. New Orleans Surgical Society, Spring Meeting, "Tumor Growth Kinetics," May 1977.

6. Research Award Recipient, Combined Meeting of the Society of Surgical Oncology and the Society of Head and Neck Surgeons, "A System of Growth Control in Ehrlich Ascites Tumor," May 1977, Hilton Head, GA.
7. Society for Vascular Surgery Meeting, "Impact of Multiple Variables on Operative and Extended Survival Following Coronary Artery Surgery," June 1977.
8. American College of Surgeons' Meeting, "Intralipid as a Myocardial Energy Substrate Following Ischemic Arrest," October 1977.
9. Invited Discussant, Southeastern Surgical Association, "Air Embolism with Penetrating Lung Injuries, New Orleans, Louisiana, February 1978.
10. Featured Speaker, National EMT and Paramedic Symposium, "Cardiac Trauma: An Important Injury," Kansas City, Missouri, February 15, 1978.
11. American Association for Thoracic Surgery, "Is There a Penalty for Subtotal Myocardial Revascularization?" New Orleans, Louisiana, March 1978.
12. Featured Speaker, Midwest Spring Tri-state Medical Conference, "Cardiac Trauma," Moline, Illinois, May 1978.
13. Featured Speaker, Meeting of the University Association of Emergency Medical Services, "Identification of Cardiac Contusions," Kansas City, November, 1978.
14. Southwestern Surgical Association, "Discussion of Paper Vertebral Arteriovenous Fistula," Las Vegas, Nevada, April 1979.
15. American Association for Thoracic Surgery, "Clinical Comparison of Internal Mammary Artery and Saphenous Vein used as Coronary Artery Bypass Grafts," April 1979.
16. Invited Lecturer, American Cancer Society Meeting, "Specific Ventilatory Problems with the Cancer Patient," New Orleans, Louisiana, September 1979.

17. Invited Lecturer, Newer Concepts in the Treatment of Surgical Infections Conference (East Coast), "The Use of Antimicrobials in Open Heart Surgery," Washington, D.C., November 4, 1979.
18. Invited Lecturer, Newer Concepts in the Treatment of Surgical Infections Conference (West Coast), "The Use of Antimicrobials in Open Heart Surgery," San Francisco, California, November 11, 1979.
19. American College of Surgery Meeting, "Myocardial Preservation Using Diphosphofructose: Energy Without Oxygen," Atlanta, Georgia, 1980.
20. American Heart Association Meeting, "Enhancement of Potassium Cardioplegic Preservation by Fructose 1, 6 Diphosphate," Miami, Florida, 1980.
21. College of Anesthesiology Meeting, "Fructose Diphosphate: Analeptic for a Barbiturate," St. Louis, Missouri, 1980.
22. American Heart Association "Prevention of Arrhythmias with Fructose Diphosphate in Myocardial Ischemia," Miami, Florida, 1980.
23. International Cardiovascular Society, "Long-Term Results of Myocardial Revascularization in Early Onset Arteriosclerosis," 1980.
24. American Association for Trauma Surgery, "Emergency Thoracoscopy: A Logical Approach to Chest Trauma Management," 1980.
25. Rapides Parish Medical Society Meeting, "Lung Cancer: Newer Concepts in Management," Alexandria, Louisiana, March 10, 1980.
26. Featured Speaker, American Association of Critical Care Nurses, "Pathophysiology of Blunt Myocardial Injury," New Orleans, Louisiana, April 24, 1980.
27. Invited Lecturer, Surgical Infectious Disease Course, "Infections in Open Heart Surgery," New Orleans, Louisiana, May 3, 1980.
28. Invited Lecturer, Terrebonne General Hospital Staff Meeting, "Surgical Treatment of Tracheobronchial Injuries," Houma, Louisiana, July 14, 1980.

29. Invited Discussant, American College of Surgery Meeting, "Mesocaval Shunt," Atlanta, Georgia, October, 1980.
30. Invited Lecturer, American College of Surgeons Spring Meeting, in course "Newer Concepts in Care of Patients with Multiple Injuries," "Blunt Cardiac Injuries," New Orleans, Louisiana, March, 1981.
31. Invited Lecturer, American College of Surgeons Spring Meeting, in course "Pulmonary Problems," "Thoracoscopy in Penetrating Chest Injuries," New Orleans, Louisiana, March 1981.
32. Invited Lecturer, Baton Rouge Medical Association, "Biochemical Aspects of Hemorrhagic Shock," April 1981.
33. Featured Speaker, Association of Surgeons of the Southern Railway System, "Cardiovascular Rehabilitation Following Myocardial Revascularization," April 1981.
34. Visiting Professor, Wilford Hall Medical Center, May 6-8, 1981.
35. Invited Lecturer, Symposium, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Beaumont, Texas, April 6-7, 1982.
36. Featured Speaker, St. Luke's Hospital, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Saginaw, Michigan, June 30, 1982.
37. St. Mary's Medical Center, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Evansville, Indiana, July 21, 1982.
38. Visiting Professor, Creighton University Medical Center, "Antibiotic Prophylaxis in Surgical Procedures," Omaha, Nebraska, July 22, 1982.
39. Featured Speaker, Odessa Medical Center Hospital, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Odessa, Texas, July 24, 1982.
40. Visiting Professor, The Ohio State University Hospital, Columbus, Ohio, August 5, 1982.
41. Visiting Professor, Loma Linda University Medical Center, "Clinical Aspects of Serious Gram-Negative Bacterial Infections, Part I," Loma Linda, California, September 21, 1982.

42. Featured Speaker, S. W. Michigan Area Health Education Center, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Kalamazoo, Michigan, September 30, 1982.
43. Featured Speaker, Memorial Hospital, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Gulfport, Mississippi, October 2, 1982.
44. Visiting Professor, Loma Linda University Medical Center, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Part II, Loma Linda, California, October 13, 1982.
45. Featured Speaker, Mount Vernon Hospital Symposium, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Mt. Vernon, New York, November 3, 1982.
46. Featured Speaker, Providence Hospital Symposium, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Anchorage, Alaska, November 12 and 13, 1982.
47. Featured Speaker, Alton Memorial Hospital, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Alton, Illinois, December 2, 1982.
48. Visiting Professor, University of California-Irvine and Long Beach VA Hospital, "Clinical Aspects of Serious Gram-Negative Bacterial Infections," Long Beach, California, December 3, 1982.
49. Visiting Professor, Southern Illinois University School of Medicine, December 10, 1982.
50. Southern Illinois University School of Medicine, Grand Rounds, "Non-Penetrating Cardiac Trauma," December 11, 1982.
51. Hancock County Medical Society, Hancock General Hospital, "Influence of Risk Factors in Coronary Disease," Pas Christian, Mississippi, March 7, 1983.
52. Visiting Professor, University of Athens, Athens, Greece, May 9-11, 1984.

53. Surgical Grand Rounds, King Faisal Hospital and Research Centre, "Metabolic Consequences of Ischemia," Riyadh, Saudi Arabia, 1984.
54. Cardiology Grand Rounds, Baylor College of Medicine, "Coronary Bypass Surgery: Who, When and How?" January 1985.
55. The Toledo Hospital Grand Rounds, "Spectrum of Cardiac Trauma," Toledo, Ohio, June 1987.
56. Flower Hospital, "Cardiac Contusions: Diagnosis and Treatment," Sylvania, Ohio, November 1987.
57. Invited Speaker, Fulton County Medical Society, "Surgical Treatment of Coronary Disease," Wauseon, Ohio, March 1988.
58. Invited Lecturer, Surgical Grand Rounds, Vanderbilt Medical Center, "New Methods for Blood Conservation during Heart Surgery," June 1988.
59. Invited Speaker, Henry County Medical Society. "Modern Techniques for Coronary Bypass," May 2, 1989.
60. Featured Speaker, Huron County Medical Society, "Advances in Cardiac Surgery," Port Clinton, Ohio, June 14, 1989.
61. Invited Guest on "Health Talk," WSPD Radio, Toledo, Ohio, June 20, 1989.
62. Society of Thoracic Surgeons, "Effects of Intraoperative Plasmapheresis on Blood Loss in Cardiac Surgery," 1989.
63. International Society for Cardiovascular Surgery Meeting, "A Prospective Study of Aspirin Effect on Red Blood Cell Loss in Cardiac Surgery," 1989.
64. College of Chest Physicians Annual Meeting, "Predictability of Operative Blood Loss and Blood Transfusion in Cardiac Surgery," 1989.
65. Invited Lecturer, International Michael DeBakey Surgical Society Meeting, "Blood Conservation Measures in Cardiac Surgery," Yokohama, Japan, September 1990.

66. Southern Thoracic Surgical Association Meeting, "Benefit from Combining Blood Conservation Measures in Cardiac Operations," Dorado, Puerto Rico, November 1990.
67. Invited Lecturer, the 1991 Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC), "Significance of Fever in the First 24 Hours after Cardiac Surgery," Chicago, Illinois, September 1991.
68. Invited Speaker, International Society for Cardio-vascular Surgery Meeting, "Anterior-Crossed Right Internal Mammary-Coronary Grafts," Amsterdam, the Netherlands, September 1991.
69. Southern Thoracic Surgical Association Meeting, "Usefulness of Right Ventricular Indices in Early Diagnosis of Cardiac Tamponade," Orlando, Florida, November 1991.
70. American College of Surgery, South Texas Chapter Meeting, "Efficacy of Erythropoietin in the Perioperative Period," San Antonio, Texas, February 1992.
71. Invited Lecturer, DeBakey International Surgical Society, "Methods to Reduce Blood Loss in Cardiac Surgery," Frankfurt, Germany, June 1992.
72. Invited Speaker, National Heart, Lung and Blood Institute (NIH), Autologous Transfusion: Current Trends and Research Issues, "Is Postoperative Blood Loss Reduced When Intraoperative Platelet-Rich Plasmapheresis is used in Cardiac Surgery?" Arlington, Virginia, October 1992.
73. Invited Speaker, World Association CTV Anesthesia, 11th Annual Symposium, Advances in Techniques of Cardiopulmonary Bypass, "Advances in Blood Conservation: Platelet Rich Plasma," Cancun, Mexico, January 1993.
74. Society of Thoracic Surgeons, 29th Annual Meeting, Discussion of Paper, "Randomized Comparison of Intraoperative Blood Reinfusion Techniques during Coronary Bypass Grafting," San Antonio, Texas, January 1993.
75. Invited Panelist, 22nd Annual Scientific Symposium of Society of Critical Care Medicine, "Cardiorespiratory Monitoring: Integration of Continuous Parameters," New York, New York, June 1993.

76. Invited Speaker, 25th Cesko-Slovensky Chirurgicky Kongres, "Effective and Simple Methods of Reducing Blood Transfusions in Heart Surgery Patients," Banska-Bystrica, September 1993.
77. Invited Speaker, International Society for Cardiovascular Surgery, "Determinants of Chest Tube Drainage Following Cardiac Operations," Lisbon, Portugal, September 1993.
78. Invited Speaker, 12th Annual Clinical Update in Anesthesiology and Advances in Techniques of Cardiopulmonary Bypass, "Why are Blood Conservation Studies so Contradictory?" St. Thomas, Virgin Islands, January 1994.
79. Visiting Professor, Tufts University Department of Surgery Grand Rounds, "The Physiology of Anemia," Boston, Massachusetts, February 8, 1995.
80. Texas Surgical Society Meeting, "Anterior Crossed Right Internal Mammary Coronary Graft: Experience with 205 Cases," South Padre Island, Texas, October 1995.
81. Invited Speaker, 14th Annual Symposium on Advances in Techniques of Cardiopulmonary Bypass, "What is Wrong with Blood Conservation Methods?" Aruba, January 1996.
82. Texas Surgical Society Meeting, "Determinants of Hospital Charges for Cardiac Operations," El Paso, Texas, April 1996.
83. Invited Speaker, M.E. DeBakey International Surgical Society Meeting, "Results from Bilateral and Sequential Internal Thoracic Artery Grafting," Maui, Hawaii, June 1996.
84. Visiting Professor, University of Medical Professionals, "Current Status of Adult Cardiac Surgery in America," Ho Chi Minh City, July 1996.
85. Texas Surgical Society Meeting, "Serendipitous Discoveries in Surgical Practice," Corpus Christi, Texas, October 1996.
86. Invited Speaker, Department of Pharmacology, Baylor College of Medicine, "Principles of Autologous Blood Salvage and Pharmacological Enhancement of Clotting in Cardiac Surgery," October 8, 1996.

87. Invited Speaker, Fourth Annual Critical Issues in Surgery Symposium, "Advances in Understanding and Clinical Practice of Autotransfusion," St. Thomas, Virgin Islands, December 1996.
88. Southern Surgical Association, "Suitability and Durability of Multiple ITA-Coronary Artery Bypasses," December 1996.
89. Annual Meeting of the Society of Thoracic Surgeons' Meeting, "Bilateral Internal Thoracic Artery Operations: Grafting Multiple Left-sided Coronary Arteries Improves Survival," San Diego, California, February 5, 1997.
90. Invited Speaker, Update Surgery Meeting, Texas Medical Center, "Transmyocardial Revascularization," Houston, Texas, February 22, 1997.
91. Texas Surgical Society Spring Semi-Annual Meeting, "Initial Experience with Transmyocardial Revascularization Using the Holmium YAG Laser," Houston, Texas, April 7, 1997.
92. Featured Speaker, 17th Congress of Japanese Society of Phlebology, "Are the Veins an Organ or Just a Group of Thin-Walled Blood Vessels?" Kanazawa, May 29, 1997.
93. Invited Speaker, Transmyocardial Revascularization: A New Therapeutic Option in Cardiac Surgery, "A Randomized Multicentre TMR Trial: Preliminary Results with the Holmium: YAG Laser," Nice, France, June 21, 1997.
94. Invited Speaker, Michael E. DeBakey International Surgical Society Distinguished Visiting Professor of the Year Symposium, "Laser Cardiac Revascularization," Houston, Texas, June 27, 1997.
95. Texas Surgical Society Fall Semi-Annual Meeting. "Multiple Functions of the Venous System," Ft. Worth, Texas, October 6, 1997.
96. Invited Speaker, Asian Congress on Thoracic and Cardiovascular Surgery, "Transmyocardial Revascularization," Sydney, Australia, October 13, 1997.
97. Invited Speaker, Transmyocardial Revascularization (TMR) Symposium: Clinical Outcomes, Mechanisms and Laser Comparisons held in

- conjunction with the Asian Congress on Thoracic and Cardiovascular Surgery, "Results from a Randomized Study of TMR with the Holmium: YAG Laser," Sydney, Australia, October 14, 1997.
98. Invited Speaker, Facts and Myths of Minimally Invasive Cardiac Surgery, A Critical Review Symposium held in conjunction with the Society of Thoracic Surgery, "Transmyocardial Revascularization: An Assessment of Surgically-Induced Injury," New Orleans, Louisiana, January 24, 1998.
 99. Invited Speaker, American Society of Extra-Corporeal Technology, Inc. (AMSECT), "Practice and Pitfalls of Intraoperative Plasmapheresis," Philadelphia, Pennsylvania, March 13, 1998.
 100. Texas Surgical Society 161st Semi-Annual Meeting, "Optimizing Coronary Bypass in the Elderly," Waco, Texas, April 6, 1998.
 101. Michael E. DeBakey International Surgical Society XII Biennial Meeting, "Transmyocardial Revascularization: An Assessment of Surgically-Induced Injury," Lisboa, Portugal, July 6, 1998.
 102. Michael E. DeBakey International Surgical Society XII Biennial Meeting, "Holmium: YAG Laser TMR Relieves Angina and Improves Functional Status," Lisboa, Portugal, July 6, 1998.
 103. Invited Lecturer, Department of Surgery Grand Rounds, University of Texas Medical School, "Surgical Ethics," Houston, Texas, July 14, 1998.
 104. Texas Surgical Society, "Surgical Ethics for the Next Century," Austin, Texas, October 6, 1998.
 105. ISCTS - The World Society of Cardio-Thoracic Surgeons VIII World Congress, Moderator, "Transplantation Scientific Session," Houston, Texas, November 3, 1998.
 106. ISCTS - The World Society of Cardio-Thoracic Surgeons VIII World Congress, Moderator, "Cardiac Scientific Session," Houston, Texas, November 3, 1998.
 107. American Heart Association, "Transmyocardial Revascularization Improves Exercise Tolerance: Interim Results of a Randomized Trial," Dallas, Texas, November 9, 1998.

108. Southern Thoracic Surgical Association, "Holmium: YAG TMR Relieves Angina and Improves Functional Status," Orlando, Florida, November 13, 1998.
109. Invited Speaker, Society of Thoracic Surgeons Meeting. New Technologies, Minimally Invasive Cardiac Surgery, Holmium: YAG Laser Transmyocardial Revascularization Relieves Angina and Improves Functional Status-A Randomized Prospective Study, San Antonio, Texas, January 23, 1999.
110. American College of Cardiology, Holmium: YAG Laser Transmyocardial Revascularization, New Orleans Louisiana, March 7-10, 1999.
111. Featured Speaker, Detroit Transmyocardial Revascularization Symposium, "Status of Transmyocardial Revascularization," Dearborn, Michigan, March 16, 1999.
112. Invited Lecturer, New Mexico Academy of Surgery, Serendipity & Surgical Discovery, @ Albuquerque, New Mexico, September 23, 1999.
113. Visiting Professor, University of New Mexico - Albuquerque, Essential Ethical Principles for Surgeons, September 24, 1999.
114. Invited Speaker, Cardiology Grand Rounds, University of New Mexico, Albuquerque, "Thoughts on a Mechanism of Action for the Relief of Angina after TMR," September 1999.
115. Invited Speaker, 42nd World Congress of the International College of Angiology, "Transmyocardial Revascularization: Procedure and Indications," San Diego, June 2000.
116. Southern Thoracic Surgical Association, "Tracheostomy: A risk factor for Mediastinitis following Cardiac Surgery". Marco Island, FL Nov 10, 2000.
117. Invited Speaker, Capital Regional Staff Meeting, "Ethics in the Practice of Community Medicine", Jefferson City, MO Nov, 2000.
118. Invited Speaker, 13th Congress of the Michael E. DeBakey International Surgical Society, "Surgical Ethics for the Third Millennium", Houston, TX Nov 20, 2000.

119. Invited Speaker, 8th Annual Meeting of the Egyptian Society of Cardiothoracic Surgery. "Transmyocardial Revascularization Restores Function and Quality of Life", and "Worldwide Rebirth of Emphasis on Surgical Ethics". Sharm El Sheikh, Sinai, March 15, 17, 2001.
120. Invited Speaker, Oklahoma City Surgical Association, Annual Meeting. "Serendipity in Surgical Discovery" May 9, 2002.
121. Visiting Professor, Research Day, University of Oklahoma, Oklahoma City, "Research Ethics in a Time of Rapid Technological Advancement". May 11, 2002.
122. H. Brownell Wheeler Visiting Professor, University of Massachusetts. The 5th Wheeler Lecture. "Ethics in a Rapidly Advancing Surgical Environment" Worcester, Massachusetts. June 19, 2002.
123. Invited Lecturer, University of Virginia, "Surgical Innovation: Practical and Historical Examples". Symposium for Development of Recommendations of a National Policy on Regulation of Innovative Surgery, February 11, 2003.
124. Visiting Professor, Texas A & M Health Sciences Center, Scott and White Clinic, Temple, Texas. "Why do we need Surgical Ethics? April 14, 2003.
125. Invited Speaker, Cardiologists of Central Texas, Temple Texas, "Transmyocardial Revascularization: Intermediate Outcomes", April 15, 2003.
126. Visiting Professor, Theodore Drapanas Lecture, Tulane University School of Medicine, What is a Surgeon? An Ethical Depiction. New Orleans, LA. June 20, 2003.
127. Invited Lecturer, Grand Rounds, Division of Cardio-thoracic Surgery, UCLA, Dialogue on Current and Future Ethical Problems in Thoracic Surgery, Los Angeles, CA. September 2, 2003.
128. Visiting Professor, UCLA Department of Surgery, Why do we need Surgical Ethics?, Los Angeles, CA. September 3, 2003.

129. Invited Lecturer, Healthcare Ethics Center of Los Angeles, Are there some cases we shouldn't take? Los Angeles, CA. September, 3, 2003.
130. Candidate Lecturer. The duties of a dean. West Virginia University Healthcare Center. March 3, 2004.
131. Invited Lecturer, University of Virginia, Surgical Autonomy: Limits in Therapeutic Decision Making. Symposium II for Development of Recommendations of a National Policy on Regulation of Innovative Surgery, March 9, 2004.
132. Invited Lecturer and Panelist, American Medical Association, Organized Medical Staff Section (OMSS), Economic Credentialing: Conflicts of Interest. Staying above the fray. Atlanta, GA. December 3, 2004.
133. Invited Faculty, Veith Vascular Symposium, Are Live Cases Ethically Justified From the Patient's Perspective? Why are they so Popular?, New York City, November 2008.
